

## Producatori de echipamente instalatii fotovoltaice

1. World Key Energy – producator de module fotovoltaice, ofera experienta de marketing si experienta comerciala in vanzarea modulelor si a solutiilor complete de alimentare cu energie produsa de panouri fotovoltaice. [www.worldkeyenergy.com](http://www.worldkeyenergy.com)
2. Games Electric – producator de invertoare, adresa firma in Romania: 169A Calea Floreasca, cladirea A, etaj 4, sector 1, Bucuresti, tel. 03182124, fax 0318602100, [www.gamesaelectric.com](http://www.gamesaelectric.com)
3. HIS- producator de cabluri, conectori, cutii de conexiune, ofera servicii de consultanta, proiectare, planificare, monitorizare. [www.his-solar.com](http://www.his-solar.com)
4. Haticon – producator de sisteme de fixare pentru panouri fotovoltaice. [www.haticon.com](http://www.haticon.com)
5. CSUN- producator de panouri fotovoltaice. [www.chinasunnergy.com](http://www.chinasunnergy.com)
6. AEGB POWER SOLUTIONS – producator de invertoare. [www.aegps.com](http://www.aegps.com)
7. TECH INTER – producator de posturi de transformare si celule de medie tensiune. [www.techinter.fr](http://www.techinter.fr)
8. Hymon - producator de panouri fotovoltaice (in documentatia primita avem fisa tehnica pt. panouri fotovoltaice). [www.hymon.pl](http://www.hymon.pl)
9. REFUSol – producator de invertoare. [Info@refusol.com](mailto:Info@refusol.com)
10. KRINNER – producator de suruburi pentru sistem de fixare instalatie panouri fotovoltaice. [www.krinner-pv.ro](http://www.krinner-pv.ro)
11. IdeemaSun – planifica, fabrica si vand produse si instalatii fotovoltaice. [www.ideemasun.com](http://www.ideemasun.com)
12. Jinko Solar – producator de panouri fotovoltaice. [www.jinkosolar.com](http://www.jinkosolar.com)
13. MAT – producator de sisteme de fixare pentru panouri fotovoltaice. [www.mat-ood.com](http://www.mat-ood.com)
14. BeyonDSun - producator de panouri fotovoltaice. [www.beyonDSun.com](http://www.beyonDSun.com) sau [www.trunsunsolar.com](http://www.trunsunsolar.com)
15. Alumil Solar – producator de sisteme de fixare pentru panouri fotovoltaice. [www.alumilsolar.gr](http://www.alumilsolar.gr)
16. Woodward – producator de invertoare (in documentatia primita avem fise tehnice pentru invertoare). [www.woodward.com](http://www.woodward.com)
17. Intrepid – producator de sisteme perimetrare de detectie, str. Maresal Averescu, nr. 12, Ploiesti, tel 0244591812, fax 0244517183, e-mail: [office@technosys.ro](mailto:office@technosys.ro)
18. Unimec – producator sisteme de fixare pentru panouri fotovoltaice. [www.unimec.ro](http://www.unimec.ro)
19. Pavel and Sons electric Ltd. – producator posturi de transformare. [www.pavel-sons.com](http://www.pavel-sons.com)
20. Hormann – sisteme de montaj panouri fotovoltaice pe hale. [www.hoermann-info.at](http://www.hoermann-info.at)
21. Greencells – planificare si montare parcuri cu sisteme fotovoltaice. [www.greencells.eu](http://www.greencells.eu). Dan Cirstoc Executive Manager, tel 0725054363
22. Revista Sun Wind Energy [www.sunwindenergy.com](http://www.sunwindenergy.com)
23. ET Module – producator de panouri fotovoltaice. [www.etsolar.com](http://www.etsolar.com)
24. Canadian Solar – producator de panouri fotovoltaice. [www.canadiansolar.com](http://www.canadiansolar.com)
25. Electro Sistem – producator de posturi de transformare si celule de medie tensiune. [www.electro-sistem.com](http://www.electro-sistem.com)
26. Emersor Solar – producator de invertoare. [www.emersonsolutions.com](http://www.emersonsolutions.com)
